FOOTBALL MEN
OUT FOR PRACTICE

About twenty candidates for the McKinley High football team are turning out every morning and undergoing a grilling practise under the coaching of Messrs. Friesell and Hall. Hall played quarter on the University of Illinois team last year and knows all the rules of the new game. According to the material that is turning out for practise, it is believed the High will have a winning team this year. For the last two years the school has been handicapped both by the lack of a competent coach and of a place to practise, but this year both of these have been remedied, and the team will have a better show than ever to bring home the bacon.

A few of last year's stars are lost by graduation, but Capt. Dyson, Cassidy, Bush, Melin, Brash, Hart and Yap are still in school and have all turned out. With this material and a few huskies who entered as Freshmen this year, the High team will give the Punahou aggregation a better run for their money than ever before.

LOTS OF BEAUTIFUL, GLOSSY HAIR,
NO DANDRUFF, 25 CENT "DANDERINE"

Hair Coming Out?—If Dry, Brittle, Thin or Your Scalp Itches and Is Full of Dandruff—Use "Danderine"

Within ten minutes after an application of Danderine you cannot find a single trace of Dandruff or a loose or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you will actually see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp. A little Danderine will immediately double the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health. Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove to yourself tonight—now—that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.
